Paw Print Boxes

The paw print and horseshoe patterns on these boxes are burned into the wood, providing a permanent and unique decoration that complements the handmade characteristics of the boxes.

Rainbow Bridge

This exclusive series was inspired by the popular "Rainbow Bridge" poem and features artwork created by renowned artist Nora Wildgen. The boxes are built, stained and decorated by hand, ensuring that each is beautiful and unique.

Every box comes with a sheet that features the full text of the poem over a color reproduction of the artist's print.
